## ARUNACHAL PRADESH IN BRIEF

The erstwhile NEFA was declared as the Union Territory of Arunachal Pradesh on 20-01-1972 under the provision of North Eastern Areas (Re-organization) Act, 1971 (81 of 1971) and was placed under the charge of the Chief Commissioner. Since 15<sup>th</sup> August, 1975 it came under the charge of Lt. Governor and finally it attained statehood on 20<sup>th</sup> February, 1987.

Arunachal Pradesh is situated in the North Eastern corner of India stretching between longitude 91° to 30' E and 97° 30' E and latitude 26° 28' N and 29° 31' N. It spreads over an area of 83,743 sq. km. touching the international boundary with Bhutan in the West, China in the North and Myanmar in the South-East. On the south, it is linked with Assam. The state consists of 25 districts, 223 administrative Circles including 9 SDO HQ and 44 notified statutory towns during the period under report.

### POPULATION

Population of Arunachal Pradesh according to 2011 Census is 13, 83,727. The State registered a decadal population growth rate of 25.92 during the decade 2001 - 2011.

The area and population of the districts as on 31-03-2011 stood as follows:-

#### Overview of Civil Registration System (CRS)

1. Registration of birth is a right of the child and is the first step towards establishing their identity.
2. It is compulsory to report births and deaths to the Registrar of Births and Deaths under the Registration of Births and Deaths Act, 1969
3. According to the RBD ACT 1969 and corresponding Arunachal Pradesh State Rule 2001, Registration of Births and Death is Mandatory/Compulsory.
4. Births and Deaths are registered only at the place of their occurrence.
5. Head of the household is responsible to report births and deaths that occurred in the house to the Registrar of Births and Deaths.
6. It is the responsibility of the officer in charge to report the births and deaths that occur in hospitals, nursing homes, health centres, etc. to the Registrar of Births and Deaths of the concerned area.
7. For reporting of events, prescribed forms are used. Form 1 for live birth, Form 2 for death and Form 3 for still birth.
8. Midwives and other Medical and Para-medical persons who have attended a birth of a child are duty bound to notify the Registrar about the occurrence of the birth.
9. Keepers of crematoria and burial grounds, and persons required to be present at such places by a local authority are required to notify the Registrar about the occurrence of the death.
10. The Registrar of Births and Deaths have the power to obtain information regarding birth/death from those who are in the knowledge.
11. Births and deaths are to be reported within 21 days of occurrence of the event.
12. A Birth/Death certificate is to be issued free of charge for events reported within 21 days.

13. Births and deaths reported after 21 days but within 30 days can be registered on payment of prescribed late fee.
14. Births and death reported after 30 days but within one year can be registered on production of an affidavit, permission of the prescribed authority and payment of a late fee.
15. Births and deaths reported after one year can be registered only with the permission of a First Class Magistrate and payment of prescribed late fee.
16. Births can be registered without name of the child.
17. Name of the child can be reported to the registrar for entering in the Birth Register within one year of registration free of charge.
18. Name of the child can also be entered after one year but within 15 years of registration on payment of prescribed late fee.
19. Persons giving information about births/deaths are required to give it under their signature.
20. Errors in the particulars of births or deaths in the registers can be corrected according to the prescribed procedure.
21. Wrong and fraudulent entries can be cancelled by the Registrar of Births & Deaths.
22. Under Section 17 of the RBD Act, 1969, any person can cause a search in the birth/death registers for any entry and obtain a certified extract (Birth/Death Certificate).
23. Extracts issued under Section 17 of the Registration of Births and Deaths Act shall be admissible as evidence of birth or death to which the entry relates.
24. All Registrars are to send a monthly return to the District Registrar or Chief Registrar.
25. Births that occurred outside the country can also be registered in India within sixty days of return of the family at the place where they settle.
26. There is no provision to register deaths that occurred outside the country.
27. Non-reporting of births and deaths, giving false information for inclusion in the register, refusing to put signature in the reporting form/register and non registration of events reported to the registrar is a punishable offence.
28. Under the RBD Act, 1969, Registrars and Sub-Registrars are the public servants.

29. Registration of births and deaths made prior to implementation of the Registration of Births and Deaths Act, 1969 is deemed to have been done under the same Act.
30. On adoption of a child, the name of the adoptive parents and a new name for the child can be entered in the birth register.
31. Registration of births and deaths is in the interest of the individual and the nation.

### **MEANING & SCOPE OF CRS**

Civil Registration System may be defined as the legal recording of the occurrence of vital events (birth and death) through a network of government offices and designated officials, together with certain identifying or descriptive characteristics of the events on a continuous, permanent and compulsory basis. Civil Registration System also serves as the tool for measuring the changes in the population. In other words, population census held once in a period of 10 years gives stock of population at a point of time whereas, vital statistics presents the flow of population.

### **MEDICAL CERTIFICATION OF CAUSE OF DEATH**

Medical Certification of Cause of Death (MCCD) provides reliable data on cause of mortality. This data serves as a valuable tool for public health planners, administrators, medical professionals and research workers to study cause of death in the population. Keeping in view the importance of this information, the provision has been made u/s 10(2) and 10(3) of the Registration of Births & Deaths Act, 1969 for cause of death certification by the medical practitioner of the hospital last attended the deceased and report it on Form No. 4 (in case of institutional death) and on Form No. 4A (for domiciliary death) for further submission of it along with death reporting form (Form No. 2) to the Registrar's office at the time of registration of death.

### **ORGANISATIONAL SET UP FOR REGISTRATION OF BIRTHS & DEATHS IN ARUNACHAL PRADESH**

The Vital Statistics Scheme carries out the registration of Birth and Death events in Arunachal Pradesh under the provisions of RBD Act, 1969 and State Rules framed there under in 2001. Functional set up at the levels of State, Districts, Circles and villages comprises ex-officio functionary as Chief Registrar, District Registrars, Registrars and Sub-Registrars respectively.

### **Chief Registrar:**

The Director of Economics & Statistics has been declared as ex-officio "Chief Registrar of Births & Deaths" w.e.f. 23<sup>rd</sup> June, 1986. The Chief Registrar is to coordinate with different Departments at State level for getting services of field officials as Sub-Registrars etc. and also with Deputy Commissioners being District Registrars to provide necessary instruction, guidance and training at different levels besides monitoring and follow up for smooth implementation of the scheme in liaison with the Registrar General of India. Compilation of data for submission of monthly and annual reports also vests with him.

### **District Registrar :**

The Deputy Commissioners have been declared as "District Registrars" for their respective jurisdiction for district level coordination, direction and follow up with Registrars / Sub-Registrars, besides monitoring and submission of periodical reports to the Chief Registrar and to execute provisions of the Act. To assist the concerned District Registrar, the District Statistical Officers have been declared as "Additional District Registrars".

### **Registrar :**

The EAC/CO whoever is the administrative in-charge of a circle is declared as "Registrar" to carry out the scheme pertaining to his jurisdiction. He is responsible for recording vital events occurring anywhere within his administrative jurisdiction as and when reported by village / town level functionaries. In addition to that heads of all hospitals, nursing homes, CHC and PHC in AP are also declared as Registrar of Births and Deaths to register births and deaths events occurring in their respective institutions. However more than 60% of the Registrars have not yet been provided with a Field Investigator for necessary follow-up with village / town level functionaries, maintenance of records, issue of Birth / Death Certificates and submission of prescribed periodical reports to the District Registrars.

### **Sub-Registrar :**

In order to net vital events from towns and villages, one or group of villages is put under the charge of a "Sub-Registrar" who is declared as such, from amongst the

teachers / village level workers etc. available nearby to collect particulars of vital events from the Notifiers / Informants in the jurisdiction, and to record the same in the register and submit report thereof to the concerned "Registrar".

**Notifier:**

Each Gaon Burah (G.B) / Gram Panchayat Member (G.P.M), Auxillary Nurse cum Midwife, Staff Nurses, Sister Nurses of all hospitals, nursing homes, CHC, PHC, ASHAS, Anganwadi workers, Dais and Headmasters of all government schools in AP are declared as "Notifier" of births & deaths and to deliver the births & deaths certificates issued by the Registrar / Sub-Registrar of Births & Deaths. As such, organizational structure for the scheme comprises functional setup at the level of State, District, Circle, Town / Village etc.

**Reporting of Vital events for Registration :**

As per the Registration of Births & Deaths Act, 1969 and the State Rules, 2001 head of the family or his nearest relative or head of the institutions is to inform any vital event to concerned Registrar within 21 (twenty one) days and to the Sub-Registrar within 3 (three) days from the date of occurrence. The said Act and the state rules provide following limits:

- (a) Any event directly intimated to the Registrar after 21 (twenty one) days and within 30 (thirty) days, a late fee of Rs. 2.00 (Rupees two) only is chargeable for registration.
- (b) Any event intimated to the Registrar after 30 (thirty) days but within year shall be registered only with the written permission of the officer prescribed in this connection and on payment of Rupees five only as late fee.
- (c) Any event intimated to the Registrar after one year shall be registered only with prior order of the First Class Executive Magistrate/ Presidency Magistrate and on payment of late fee of Rs 10 (Rupees ten) only.
- (d) The Act and State Rules also provide for registration of birth without name of child and the name can be entered later within one year. For entering name after one year but within a period of 15 years, late fee of Rupees five only is chargeable.
- (e) The fees payable for a search, to be made for issuing an extract or a non availability certificate, are as follows:
  - (i) Search for a single entry in the first year for which the search is made:Rs. 2.00
  - (ii) For every additional year for which the search is continued: Rs. 2.00

- (iii) for granting extract relating to each birth or death : Rs. 5.00
- (iv) For granting non availability certificate of birth or death: Rs. 2.00.

**Penalties under Section 23 of RBD Act, 1969:**

**Section 23 :-**

- (1) Any persons who –
  - (a) fails without reasonable cause to give any information which it is his duty to give under any of the provisions of sections 8 and 9, or
  - (b) gives or causes to be given, for the purpose of being inserted in any register of births and deaths, any information which he knows or believes to be false regarding any of the particulars required to be known and registered; or
  - (c) refuses to write his name, description and place of abode or to put his thumb mark in the register as required by section 11, shall be punishable with fine which may extend to fifty rupees.
- (2) Any Registrar or Sub-Registrar who neglects or refuses, without reasonable cause, to register any birth or death occurring in his jurisdiction or to submit any returns as required by sub-section (1) of section 19 shall be punishable with fine which may extend to fifty rupees.
- (3) Any medical practitioner who neglects or refuses to issue a certificate under sub-section (3) or section 10 and any person who neglects or refuses to deliver such certificate shall be punishable with fine which may extend to fifty rupees.
- (4) Any person who, without reasonable cause, contravenes any provision of this Act for the contravention of which no penalty is provided for in this section shall be punishable with fine which may extend to ten rupees.
- (5) Notwithstanding anything contained in the Code of Criminal Procedure, 1898 (5of 1898), an offence under this section shall be tried summarily by a Magistrate.

**Responsibility for Notification of Vital Events:**

In rural areas, concerned Gaon Burah (GB) or Gram Panchayat Member (GPM) is to take responsibility for notification of vital events and inform the Sub-Registrar or Registrar as the case may be. In Urban areas, events occurring in hospitals / CHC /

PHC / Nursing Home, jails, hostels, dharamshalas, boarding houses etc. the executive heads of the institution concerned are to notify the vital events.

The vital events are to be registered only at the nearby Registration Centre under whose jurisdiction that place of occurrence falls. Events occurring in running aeroplane / train / steamer etc. are to be registered at the next station of halt.

**Limitation:**

In Arunachal Pradesh, implementation of the Scheme could not be extensive enough to work out the accurate birth and death rates from the official records of vital statistics because large numbers of vital events slip out of coverage due to inadequate infrastructure. Under reporting is mainly due to shortage of vital statistics staff, lack of proper communication, illiteracy among the villagers, villages being scattered in far flung areas, etc.

Gaon Buraha (GBs) and Gram Panchayat Members (GPMs) are declared as "Informants" and "Notifiers" under the scheme. But most of the Gaon Buraha are illiterate and it has been reported that they are finding difficulties in reporting the events to the Sub-Registrars by recording information as per prescribed forms. Sub-Registrars are also busy with their own jobs and not in a position to give adequate attention to this scheme. Moreover, the lack of communication facilities create very serious problem in Arunachal Pradesh. To cover a few populations of some villages even 4 – 5 days foot-march is necessary and one is to walk on hilly track to go from village to village.

### Analysis of Civil Registration data:

Year-wise number of events reported and registered during the year from 2007 to 2018 may be read from the under mentioned Table 'A'. In spite of deficiencies indicated below, a review of the trend on year-wise coverage shows that there had been a gradual improvement in Civil Registration system.

**TABLE A:- THE LIVE BIRTHS, DEATHS AND INFANT DEATHS REGISTERED DURING  
2007-2018**

Sl. No.	Year	Live Births	Deaths	Infant Deaths
0	1	2	3	4
1	2007	26940	1609	18
2	2008	33091	1598	06
3	2009	31128	1580	08

Since the scheme will take some more time to achieve the desired results, the ongoing scheme of "Sample Registration System (SRS)", operated by the Directorate of Census Operations, Arunachal Pradesh under the guidance of the Registrar General of India, New Delhi is providing reliable "Estimates of Births and Deaths".

**FURNISHING ADDITIONAL INFORMATION ON WORKING OF THE RBD ACT FOR THE  
YEAR 2018**

**1. Information on conducting IDCC meeting at State, district and block level for the year 2018.**

State level IDCC Meeting was held on 23.10.2018 and DLCC meeting was conducted by the District Statistics Officer, Upper Subansiri District only during the period under report.

**2. The status on computerization of civil registration record and online registration in the State.**

All district headquarters have been equipped with computers and initiated the procedure of computerization for record of births and deaths. In our State online registration facility is available in the registration unit of Bomdila, West Kameng /Yupia, Papumpare/Ziro, L. Subansiri/ Roing, L.D. Valley/ Tezu, Lohit/ Khonsa, Tirap/ Tawang. Tawang. Provision for registration facilities in other registration units are offline.

**3. Information on penalties imposed under Section 23 of the RBD Act 1969 on defaulting Institutions, Registrars and the individuals for non-registration, non-reporting and for negligence to register any birth/death.**

There is not a single case found on penalties imposed under section 23 of the RBD Act, 1969 on defaulting Institutions, Registrars and the individuals for non registration/ non reporting and for negligence to register any birth/death.

**4. Number of inspected registration units with rural-urban breakup under section 18 of the RBD Act, 1969.**

Inspection of registration units is important in ensuring qualitative and quantitative improvement of registration work. The actual information in respect of number of units inspected viz: **13 (thirteen)** Urban Registration Units and **55 (fifty five)** Rural Registration units in the jurisdiction of Upper Subansiri, Changlang, Namsai, Lower Dibang Valley, Upper Siang, Lohit, Tirap, West Siang, East Siang, Kurung Kumey, Papumpare, Longding and West Kameng districts.

**5. Number of training programmes organized for civil registration functionaries.**

No training programme was organized by any district during the period under report due to non placement of fund from the state or Central Government.

**6. Publicity effort made by the district statistics officer, Upper Subansiri, East Siang, Kurung Kumey, Papumpare and Lohit Districts through pamphlets banners, Sarkar Aapke Dwar, etc. In respect of rest of the districts may be treated as nil due to financial constraints in the state budget. In this connection central government did not grant any fund during the last financial year.**

# REGISTRATION OF BIRTHS AND DEATHS IS COMPULSORY AS PER RBD ACT, 1969

## Ensure Registration of Births and Deaths to help you as

**Births:-** Age Proof, School Admission/Service entry, Driving License/legal contact, Marriage/voting rights, Ration Card and Aadhaar Card etc.

**Deaths:-** Inheritance settlement, Insurance Claim, Family allowances, Other Social Security etc.

For Details

Contact:- *Your respective District Statistics Office.*

All are requested to Co-operate with NSS field staff when they approach you for survey work and provide correct and complete information.

The success of the survey depends to a great extent on quality of the response from public.

Incorrect information will thus lead to a wrong database, which will result in faulty planning.

Price Rs. 30.00 (Rupees thirty) only

Printed at DES Office,  
Itanagar.
